# Impact Moments - 2023

In June 2023, we provided support to Homes of Hope / Youth with a Mission in Ensenada, Mexico.

Our team had the opportunity to meet and collaborate for the first time, joining forces to build a house for a family in need.

# Impact Moments 2024

This year, we aim to replicate this, and build a house for a family in need in San Pedro de Macoris, Dominican Republic.

If you're willing to participate the company will cover the following:

**House Construction:** 100% of the cost of the house. Additional \$800 to \$1,000 for stocking the house with necessities for the family.

**Accommodation and Meals:** Hotel expenses and three meals per day will be covered for full-time active members of the team.
